

Dear cycling friends,

In 2023, following our motto “We cycle for charity,” we will embark on our 16th annual GBI Europe tour.

In mid June 2023, 400 passionate riders from more than 30 countries will cycle together from Bratislava in Slovakia via Austria to Munich in Germany over the course of one week.

You will have the choice of two challenging routes of between 600 km and 900 km, all in aid of a great charitable cause.

An essential part of our philosophy is that every participant raises money for charities in their home country. Thanks to these contributions, every year to date we have raised an incredible six-figure sum that we officially hand over at the end of the tour to representatives of the supported charities.

We look forward to seeing you in Bratislava!

PARTICIPANTS

Our participants like exploring new places by bicycle. Some are athletically ambitious, others focus more on enjoying the landscape and the places to visit along the route.

The riders are between 14 and 83 years old, the average age is about 46 years.

We typically see 75% males and 25% females, 50% joining from Europe, 40% from Near East & Africa and 10% from Asia, America and Australia.

We cycle in teams of max. ten riders, each team is led by a GBI experienced teamlead. You decide within your team how to structure your day.

CHARITIES

Each participant has to raise a minimum of between 150 - 250 Euro (depending on their country's GDP) prior to the tour, in support of a charity in her or his home country.

Since 2008, we have raised over 3.6 mio Euro for over fifty different worldwide charities.
