

Dear fellow cyclists,

Join us in celebrating the 10th GBI Europe tour, following our motto "We cycle for charity".

Evolved from a spontaneous idea back in 2008, today up to 400 motivated riders from more than 25 countries join the GBI Europe each year.

From the 2nd to the 7th of July 2017 we will cycle together from London in the UK via the Benelux states to Düsseldorf in Germany over the course of six days. The multinational teams whose pace and ambition vary will have the choice of two challenging routes of 650 km and 900 km respectively.

An essential part of our philosophy is that each participant raises money for charities in their home country. Thanks to these contributions, we raised incredible six-figure amounts year by year, which we proudly announce on the final day of the tour.

We look forward to welcoming you in London!

GLOBAL BIKING INITIATIVE

WE CYCLE FOR CHARITY

We are a growing global cycling community. So far, almost three thousand ambitious riders from over 25 countries have taken the challenge with more and more countries joining us every year.

Each participant raises funds of at least 200 € prior to the tour to support a charity in his country. Since 2008 we have raised in total 2 million Euros and our goal for 2017 is to reach more than 500.000 € of charitable donations.
